Assign alerts in Express List to yourself, to someone else, or to an assignment group to balance your organization's work load.

Before you begin

Role required: evt_mgmt_operator, evt_mgmt_admin

Note:

The evt_mgmt_user role is view-only and does not have permission to perform this action.

Procedure

1. Navigate to Workspaces > Service Operations Workspace.
2. From the navigation bar, select the Express list icon .
3. Select the check box next to the alert number that you want to assign.

Note:

You can perform the action on up to 1,000 alerts simultaneously by selecting the Select All check box in the Active alerts list.

4. Select the Close drop-down list.

Result

The assigned person appears in the Assigned to column and the assignment group appears in the Assignment group column in the Express List pane.
