View the Dependency View map for an alert from the Alert actions list in Express List.

Before you begin

Role required: evt_mgmt_operator, evt_mgmt_admin

Procedure

1. Navigate to Workspaces > Service Operations Workspace.
2. From the navigation bar, select the Express list icon .
3. In the alert list, select the check box of the alert for which you want to view the Dependency View.
4. Select the Alert actions list drop-down arrow.

5. From Utilities, select Dependency View map.
